Finding Everyone's Full Potential

Dear Parents,

Thank you so much for your understanding and collecting from Ridgmont Road this afternoon. The end of day proceedings went smoothly and safely.

Plans for tomorrow morning remain the same;

- School registration and drop off will begin from 8.30am (instead of 8.45am) for all children
- All parent vehicles must be clear of the school car park by 8.50am
- All parents and staff enter School Lane from the Mill Road junction
- Staff, volunteers and parents **must not** leave cars in either the White Horse Pub or Reading Room car parks.
- Parents are asked to car share wherever possible.
- Parents and staff are asked not to block access or local roads
- All children need to have named wellies in school – to access the Reading Room and collection points we will need to cross the Recreation ground, the current weather forecast may make things muddy!

COLLECTION ARRANGEMENTS – TUESDAY 4th DECEMBER

We have our dress rehearsal at the Reading Room. Collection will be from the reading room at normal time.

Parking is limited, and we may be able to use the pub overflow car park. We will advise you throughout the day.

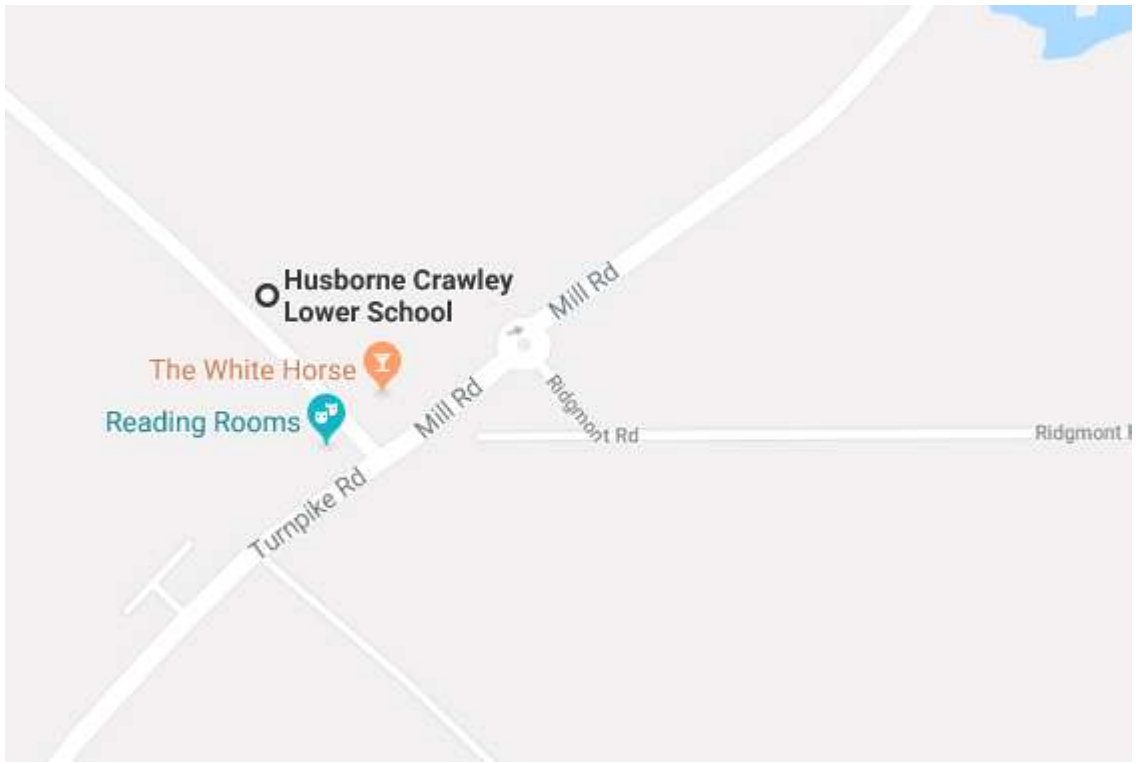

- After School club will still run, collect from playground via Recreation Ground if road is still closed.

Any difficulties or changes to collection please let us know as soon as possible.

Should anything change, we will notify you as soon as possible.

Thank you for your understanding and support with this current situation, the workforce from Keir have been very helpful and will continue to support the school.

Mrs Deborah Willans

Please park carefully and considerately.
