PTFA Meeting 2.30 Wednesday 28th January

Please can as many people as possible attend this meeting to help to arrange this term's events. We must stress that three of the committee, including Chair and Vice-chair, will be leaving at the end of this academic year and we desperately need more people to help. Even if you can only help in a small way, please do come along to the meeting.

Message from Laura, Chair:

We have a very healthy bank balance of £3079.50. I will book the Panto trip this week for next Christmas which will cost about £1000. Another cheque of £1000 will be given to school towards the purchase of an interactive whiteboard for the Learning Loft. Some money will also be donated towards the school garden as the children have loved the experience with Mrs Barratt. We have had a fantastic term fundraising, thank you to everyone who has helped and donated
