

July Newsletter 2016

Dear Parents, Teachers and Friends,

Here we are again, the last few furlongs before some well-deserved holidays. As always it is a busy time for the PTFA!

Thank you to those who helped at the Salford and Hulcote Fete on Saturday, it was a wonderful afternoon and great to see such fabulous country dancing!

On 16th July we have our very own Summer Fun Afternoon. Once again we have exquisite burgers and sausages prepared by our own professional chef, and a wide variety of home-made cakes. And for the first time, we have a live band! Our own Concert In The Park! There will also be the inflatable slide, the successful jam-jar tombola, stocks and lots of other familiar games. For drinks there will be Pimms and strawberries, squash, water, tea and coffee. There will also be a secondhand book stall. Please do see me if you have books to donate. We also have a tattoo parlour (temporary tattoos of course!) and our funky "selfie booth".

We will need volunteers to man these activities, please see the board in the playground this week. Also watch out in book bags for pre-order food tickets which will give you a discounted price. You will still be able to purchase on the day but at the full price.

Looking forward to seeing you all on 16th from 4-6 pm.

From Delphine (Chair)

This week we need:

- **volunteers to help man the stalls**
- **secondhand books**
- **homemade cakes**
- **jam jars on Friday (mufti day) *Please keep sweets to a minimum!***

Remember to look out for discounted tickets to pre-pay for BBQ food!
