Finding Everyone's Full Potential.

9 May 2017

Dear Parents of Children Currently in Year 3

In order for us to fulfil our commitment to providing high quality education which is both broad and balanced, we feel it necessary to take the Year 4 children on an educational visit, where they can learn from first-hand experience and extend the work they have been completing in the classroom. I am sure that this year's Year 4 children and parents will tell you of how worthwhile this trip will be.

Place to be visited: PGL Liddington, Wiltshire

Date of Visit: 27/03/2018 to 29/03/2018.

Examples of Activities to be undertaken:

Abseiling, Archery, Challenge Course, Climbing, Fencing, Giant Swing, Orienteering, Sensory Trail, Survival Trail and Zip Wire plus evening activities.

Reason for Visit: Make friends with a wider group of Year 4 children prior to transfer to middle school.

Travel Arrangements: Seat belted coach.

Food Arrangements: Packed lunch required on first day. All other meals included.

Clothing required: A full packing list will be supplied nearer the time.

The cost of this non-profit making educational visit including activities, food and accommodation is **£125**.

A £25 non-refundable deposit per child is required by **Monday 16 May 2017**. If you wish, you may set up a plan to pay the remainder in 4 instalments of £25.00. This would be payable July, September, October, and November. A payment plan letter is attached for those parents wishing to use this facility.

Yours sincerely
