

Hello Everyone,

We hope you have enjoyed your Kidz Zone experience this year. It is lovely to see some new starters from the school attending some of the Kidz Zone clubs.

This email is to inform you that from next term (30th October) there will be a price increase of 50p per hour. Please note you will still be able to use our flexible booking system, where you can book only the hours you need.

Keep a look out for next terms club letter and activity timetable, which will be sent out very soon!

We hope you all have a great day.
