Finding Everyone's Full Potential.

13th March 2018

Dear Parents,

Class walk

Class 1 will be walking to the nearby Crow Lane woods in the afternoon of Thursday 15th March. The focus will be looking for signs of spring to support our learning in science. Please could you ensure that your child brings wellington boots or other suitable footwear on that day. Should the weather be too wet, we will postpone our walk to the following Thursday. Please complete and return the reply slip below as soon as possible.

Alien models

Next Tuesday, 20th March, we will be making models of aliens and would be grateful for as many cardboard rolls as possible. Thank you.

Alien Party

On the last day of term, Thursday 29th March, we are planning to finish our topic on space with an alien party. The children will prepare the food beforehand and it would make the party complete if they could change into alien outfits ready to join in the fun in the afternoon. We would be happy to apply face paint to complete the transformation! Please complete and return the reply slip giving permission for your child to have their face painted.

Guinea Pigs

After much consideration, we have reluctantly decided that the Class 1 guinea pigs would be happier in a permanent home where they can have access to an outdoor area. They will be moving to their new home during the Easter holidays.

Thank you to all who have looked after them.

Thank you too for your continued support in your children's learning.

Yours sincerely,
 Mrs O'Connell

.....

I give permission for my child.....in Class 1, to go on a walk to Crow Lane wood on Thursday 15th March or Thursday 22nd March 2018.
 The best number to contact me on is.....Signed.....

.....
