Finding Everyone's Full Potential

March 2018 Newsletter

HEAD'S UPDATE

It doesn't seem possible that we are nearly at the end of the Spring Term. The time seems to have flown by!

With the 'fantastic finishes' being planned and prepared we hope the children have enjoyed their topics this term and are thoroughly inspired to continue their learning.

Next Term Foundation will be 'Wishing You Were Here'.

Class One will be 'Under the Sea' and Class Two will be entering the rainforests

I would like to thank all parents for your understanding in the recent snowy weather. It is never an easy decision to shut the school but the safety of the children, parents and staff must always come first.

I would also like to thank the parents that donated towards the rock salt to ensure that we could keep the paths clear throughout the bad weather.

The children who attended the Athletics competitions this week really impressed the staff and organisers. We were part of the small schools competition, and the 4 girls and 4 boys did a fantastic job in all areas of athletics. The total scores are being added and the results will be shared in Friday's Achievement Assembly.

Finally, after Easter, children may choose to wear summer uniform. Girls may wear red and white checked dresses. Boys may wear grey shorts and white/school polo shirts.

March

This year for Sports relief Husborne Crawley children are going to get active.

Mr Cooper has planned a series of activities for Tuesday 20th March. These involve practicing sports skills at different stations on the playground as well as a fun run on the Rec.

We are asking the children to come to school in their sporting gear (warm and sensible though!) and have a

'Sports Mufti' on Tuesday 20th March and asking the children to donate £1 to Sports Relief.

Mrs Bloodworth in the office also has a selection of Sports Relief Wristbands available for £1 each. Please ensure that they are named.
