Finding Everyone's Full Potential.

Dear Parents

As you may be aware we have a road closure in School Lane scheduled for week commencing Monday 3rd December 2018.

We are working with both the Highways Department and the contractor to obtain as much information as possible. Current advice is to allow extra time for drop-off and pick-up and to enter School Lane from the Mill Road end. Pedestrian access should be maintained at all times, as will access for emergency vehicles.

The Reading Room have again kindly offered the use of their carpark facilities during this period and we would suggest parking there if possible.

At this stage we are unable to give more information but will of course give further details if we can. Thank you for your cooperation and do please speak to Mrs Bloodworth should you have any questions.

Kind regards

Mrs Willans
Headteacher
