Finding Everyone's Full Potential.

04 January 2019

Dear parents

School Milk

Full fat milk is offered to all nursery children every day and will continue to be offered daily for the whole school year.

As per government recommendations, we are offering a drink of semi-skimmed milk to all other children in school and this year, if this offer is taken up, there is a small, subsidised charge unless your child is eligible for the pupil premium grant (PPG).

Any child detailed on our records as having a dairy intolerance will be offered oat-milk instead of cow's milk.

If you wish to enrol your child/ren to have milk each day please return the reply form below with payment (unless your child is eligible for the PPG).

Please discuss this with your child before returning the reply form. We do not want to waste milk so please only sign up if your child actually likes milk.

Please return this letter by Wednesday 9th January 2019. If you do not want your child to be offered milk then please ignore this letter.

Yours sincerely
 Mrs Kent
